

# BMW F650GS/F8000 TAIL PLATE HTP1-8-7

# **HAPPY-TRAIL.COM**

## **Step 1**

Remove the plastic plugs from the mount of stock grab handles. Remove the bolt. Place the 1/2" spacer in the rear mount point, then place the 3/4" spacer on top of the 1/2". Place the tail plate on the bike and secure with the bolts and washers.
